

IRELAND'S GREAT HUNGER MUSEUM

REQUEST FOR REPRODUCTION OF MATERIAL - ART

General Information & Fees:

Requests must be made via this form for high-resolution images of artwork in the Ireland's Great Hunger Museum's (IGHM) collection. IGHM reserves the right to deny requests for reproductions.

Published reproductions should include the following credit line:

Courtesy of Ireland's Great Hunger Museum, Quinnipiac University, Hamden, CT

All reproductions must also display the copyright information pertaining to each piece. This information will be provided along with the requested images.

All images will be delivered via digital download as 300 dpi Tiff or jpg files, suitable for publication or high-quality prints. The fee will be \$50/image, payable by check or credit card. This fee may be waived for nonprofit or educational use. Customers other than students and/or academic researchers must provide proof of not-for-profit status. For publishers that have not-for-profit status (e.g. university presses) we classify a not-for-profit publication as a printed book that is intended for a scholarly audience with a print run of 2,500 or less (one edition). We classify a for-profit publication as a printed book with a print run over 2,500 (one edition), which includes multiple print runs of one edition surpassing 2,500.

All requests will be reviewed by museum staff, and will be completed within 10 working days.

Images posted to the Internet must be at a dpi no greater than 200 unless special permission is granted by the museum.

Each image must be reproduced unaltered and in its entirety unless approved in advance by the museum. Images must not be altered or distorted by methods such as, but not limited to, cropping, retouching, changing proportion, rotating, color effects, superimposing, animating, or captioning unless approved in advance by the museum. Text may not be printed over an image without advance permission by the museum. A cropped detail may be used if the word DETAIL is added to the credit line.

Each image must be full-tone black-and-white or color, and may not be reproduced on color stock.

If the reproduction is to appear as a three-dimensional replica, on a dust jacket, calendar, brochure, poster or the like, a layout or a model must be submitted for the museum's approval, and an additional fee will apply.
